Genre: #Paranormal #WolfShifter #Demons
My Score: 5 Stars plus
I don't think this lady has ever written one boring book, everyone I've read so far is a winner, I swear you can't put it down you have to keep going, the drawback is the house doesn't get cleaned and you're late making dinner, if you make dinner. But it's worth it just dreaming about a sexy man candy.
Tina Hawthorne is Cody and Ty's sister who is also a wolfshifter. Tina's packmates and family are very important to her, she will do anything for them at Twin Moon Ranch. Until he comes back, her whole reason for breathing. She never thought she'd see him again.
Rick Rivera grew up at Seymour Ranch with his father who was the ranch foreman. His dad always taking the time for him, they built a batting cage together so he could practice everyday, which helped him to get into the big leagues. He was very good, probably made his first million then he got hurt. It took him awhile for his recovery time, his career was over. A lawyer got in touch with him, it seems Lucy Seymour's Will states for him to be the ranch foreman, it couldn't have come at a better time. I was gifted this ARC for an honest and truthful review.

DESERT HEART-The Wolves Of Twin Moon Ranch-Book 4-An unbelievable romantic story that warms the heart.
This story focuses on; Tina, a sassy, intelligent, audacious, beautiful werewolf; Rick, a sexy, drop dead gorgeous, ex-baseball player and Tina's teen love.
What you'll find in this story; a cast of amazing, impressive and engaging characters, phenomenal story-line, picturesque and powerful scene descriptions, superb banter, gripping suspense, gut-wrenching moments, life-threatening incidents, secrets revealed, horrific danger, family issues, flash-backs from the past, skyrocketing heart-pounding pulsating romance, and a melt your heart conclusion that leaves you content and wanting more.
Tina has always wanted Rick, but she could never be with him due to his human status; she feels she is doomed to be alone and heartbroken. Horrific danger is coming to the desert with only death on its mind leaving the pack on high alert to protect all that they love.
SPECTACULAR-brilliant passionate well written read by a truly gifted author. A slumber-stealer for me. I relished this story; the characters come alive with breathtaking scene descriptions leaving you wonder-struck. The undying devotion between Rick and Tina shines like a dazzling star. Beneath the romance lies an impressive story that is certainly praise-worthy. I shed some tears, laughed and found this story to be a most exhilarating read. I so love when a story comes together and is fascinating too! If you treasure shifter romance this is an excellent book for your library. {I received a copy of this book for a completely honest review}. In the world of shifter romance the possibilities are endless and always fantastic. Without reservations I highly recommend this book and the series.
