Melissa Foster wrote a beautiful love story for Rex and Jade. I loved that there was none of those silly misunderstandings - just two people falling in love and trying to find their way. The feud between the two families was believable and yes, the happy end was a little sappy. But well, that's what you get when you buy a romance novel ;-)

Love hot cowboys?
Rex Braden is wealthy, hard working, and fiercely loyal. Sweat at his brow, he works the family ranch by day, then kicks back at night with part time lovers who require nothing more than his physical presence a few times each week. But that was before. Before Jade Johnson, the daughter of the man his father has been feuding with for over forty years, moves back into town. After ditching a horrific relationship--and her veterinary practice in the process--Jade Johnson returns to the safety of her small hometown and finally finds her footing. That is...until her horse is injured and Rex Braden comes to her rescue. The last thing she needs is a bull-headed, too-handsome-for-his-own-good Braden complicating her life. Despite the angry family history, sparks fly between Rex and Jade, and attitudes follow. Fifteen years of stifled, forbidden love stirs a surge of passion too strong for either to deny--and the rebel in each of them rears its powerful head. Loyalties are tested, and relationships are strained. Rex and Jade are about to find out if true love really can conquer all. Be sure to get PROMISE MY LOVE, Rex Jade's wedding novella!
