Von LittleDarlingSweet baby Jesus and mother of all that's holy. "Dirty Bad Strangers" by Jade West is probably the dirtiest and edgiest book in the "Dirty Bad" series. It's panty-soaking hot and a guarantee for an on-going lady-boner all throughout the book. Even more so than in previous books, Jade West proves

she doesn't conform to any norms when it comes to plot, the characters and the sex. And with the edginess she creates in her stories, she adds to the hotness and awesomeness. Even if this book is out of your comfort zone - as it was for me - it's still hotter than sin. Kinda like the forbidden fruit. And damn, I'm addicted to it. It's clear early on that Jade West doesn't give a damn for her books to be mainstream or cookie-cutter. If you're easily offended or into missionary style with lights off and socks still on, this might not be for you. But if you dare to give this book a chance, it'll turn up the temperature considerably. I'm not even kidding you - it's that good. Jade West single-handedly revolutionizes BDSM and erotica romances with heroes who make other book-boyfriends look as vanilla as choir boys and with heroines who aren't innocent, naive virgins but strong-minded women in tune with their sexuality. Women who like it dirty bad. What especially impresses me is how dirty this book managed to be. And it was utterly filthy. Yet, it managed to be classy and had a solid story-line that included some angst, drama, sweetness and romance. It's a well-rounded story that will leave you throbbing - both your heart and areas further south. And how could it not with Jason - a hot football star whose tastes are...well...all kinds of dirty. He likes to watch a woman being taken by a number of men at the same time. He likes to have a say and he sure as hell likes to participate. Good thing for him that he meets Gemma at a sex chatline and that his preferences are exactly her dirty fantasy. She wants many men at the same time, who get to do with her as they please and she doesn't even know who they are. This leads to mind-blowing, dirty, totally raw and intense sexual encounters for everyone involved and nearly made me spontaneously combust. The build-up to her time with all the dirty bad strangers was hot and dirty in itself and if you're squeamish or blush easily - be prepared to glow red. The things Jason and Gemma do together - holy crap. I think you should find out for yourself. Be prepared to get your mind blown! 5+ kinky-doesn't-even-begin-to-describe-this stars. 1 von 2 Kunden fanden die folgende Rezension hilfreich. P... mit Handlung und Happy End Von Minelli Was ist eins der grten Klischees? Richtig, Frauen wollen bei "Erwachsenen Filmen" (ich wei nicht, ob das P-Wort erlaubt) immer Handlung und Happy End. Ich kann dem eigentlich auch gar nicht widersprechen. Was wir hier bekommen ist genau das. Ein P... mit Handlung und Happy End. Ich muss sagen, dass ich mich nicht im geringsten mit der Hauptfigur identifizieren konnte, allerdings fand ich es interessant mal ber einen anderen Fetisch als BDSM zu lesen. Was ich allerdings auch sagen muss, ist, bei manchen Szenen dachte ich nur: Aua oder H, wie soll das denn gehen? Ich bin mir immer noch nicht sicher wie das funktionieren soll (ich spreche vom "Finale", fr die die es schon gelesen haben) Aber egal, ich fand das Buch gut und die Kernaussage ist im Prinzip: Nur weil jemand auf etwas anderes steht, heit es nicht gleich, dass er pervers ist. Ich habe nur vier Sterne gegeben, weil stndig erwht wurde wie fett die Protagonistin ist. Und es wurde auch tatschlich so ausgedrckt. Ich wusste allerdings nicht, was ich mir genau darunter vorstellen soll. Offenbar konnte sie sich noch so bewegen, dass sie tanzen kann und es gut aussieht, aber trotzdem ist sie angeblich so fett, dass sie nicht in einen Club reinkommt. Das fand ich ehrlich gesagt etwas unrealistisch. Hallo? Schon mal was von Beth Ditto gehrt? Jedenfalls konnte ich mir kein Bild machen und habe mich letztendlich fr Bridget Jones-hnliche Mae entschieden. Ich empfehle das Buch definitiv an diejenigen weiter, die nicht vor expliziten, auergewhnlichen, aus der Komfort-Zone-herausgehenden "Erwachsenen-Szenen" zurckschrecken.

Kurzbeschreibung He calls me his dirty girl. Hes just a caller, a sex line client, an anonymous pervert like all the others. Except he isnt. Hes under my skin his voice, his laugh, his twisted fantasies. He wants to watch me with other men. Lots of other men. He wants me blindfolded and bound and taken by strangers until Im a used-up mess. Then he wants to take me himself. I should hang up, report him to my supervisor. But I wont. I cant because I want him, too. Gemma Taylor was born to be a chatline operator. Her filthy mouth and a filthier imagination make her hot property on sex chat. The hours are great and the moneys even better. Shes onto a good thing; finding her feet in the big smoke of London with a couple of old school friends. Until he calls. The rules of chatline are clear: no personal information, no breaches of confidentiality, and absolutely no other forms of communication of any kind. So why is she giving him her number? Why the hell is she planning on blindfolding herself and leaving her door unlocked for him? Gemma Taylors in deep. And shes about to get deeper. Much, much deeper. Warning - this book is exactly what it says on the tin. It's dirty, it's bad, and it's certainly full of strangers. Although everything in this novel is entirely consensual, it may contain practices some readers may well find offensive. Please proceed with caution. Most certainly 18+ Kurzbeschreibung He calls me his dirty girl. Hes just a caller, a sex line client, an anonymous pervert like all the others. Except he isnt.
