Von Donna Leon : Doctored Evidence: (Brunetti 13) (Commissario Brunetti) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Doctored Evidence: (Brunetti 13) (Commissario Brunetti):

Donna Leon, Doctored Evidence Von Conrad2o31 Ich habe das Buch (Original) gekauft, weil ich in der Fenseh-Fassung den logischen Zusammenhang zwischen den einzelnen Szenen lckenhaft fand. Namentlich wollte ich die Szene nachlesen,

in welcher der Dekan der juristischen (?) Fakultt dem Vize-Questore Patta beibringt, da der Ehren-Doktor gekauft werden mu; und Patta schroff ablehnt. Das Buch nun zeigt, da fr die Fernseh-Fassung ein ganz neues Drehbuch unter Verwendung einiger Stichworte aus dem Original geschrieben worden ist. In dem Buch sind die Zusammenhnge sind einleuchtender dargestellt; die Ehrenrettung von Patta aber ist eine freie Erfindung des Drehbuch-Autors. Wollte der Michael Degen einen Gefallen tun?0 von 2 Kunden fanden die folgende Rezension hilfreich. DoctoredVon Aleqx Franz-GriegAlles war ganz super und schnell! Service war sehr gut! Ich wurde diese Firma nochmals benutzen. Ich danke Ihnen nochmal.

KurzbeschreibungWhen a wealthy Venetian woman is found brutally murdered, the prime suspect is her Romanian maid, who has fled the city. As she attempts to leave the country, carrying a considerable sum of money and forged papers, the maid runs into the path of an oncoming train and is killed. Case closed. But when the old woman's neighbour returns from abroad, it becomes clear that the maid could not have been the killer. Commissario Brunetti decides - unofficially - to take the case on himself. As Brunetti investigates, it becomes clear that the motive for the murder was unlikely to have been greed, rather that it had its roots in the temptations of lust. But perhaps Brunetti is thinking of the wrong deadly sin altogether...**Pressestimmen**"The virtues of Leon's writing are all on display in ... Doctored Evidence ... [Leon] has a wonderful feeling for the social complexities of Venice, where corruption is as old and deep and treacherous as the canals ... Like all the best detective fiction, Doctored Evidence not only solves a mystery, but also anatomises the setting in which the crime occurred" (Daily Mail)"Leon's talent for sketching Venice with equal measures of affection and exasperation is undimmed, and Brunetti and his serious, thoughtful wife Paola remain subtle and pleasing creations" (Sunday Times)"Fans of Leon will not be disappointed . . . She has crafted yet another expert mystery" (The Baltimore Sun)"Deeply satisfying and often very funny" (The Miami Herald)"A beautifully cadenced mystery . . . no one is more graceful and accomplished than Donna Leon" (The Washington Post)**Werbetext**From Sunday Times bestselling crime author Donna Leon comes the thirteenth instalment in the Venice based Commissario Brunetti series with just as much enthralling mystery and murder as before.
