I love Trey from the beginning of the series, but if you didnt like him, it will be difficult not to love him after this book. He acutely made it. What I like: Trey! Have I said it already that I love him? Despite the playboy and rock star attitude he is very warm hearted, protective, sweet and

sensitive; He's like a lost little boy that just draws you in. I found the m/m + m/m/f sex scenes extremely aroused and hot! I was permanently READY during reading them ;-). I like that Trey stayed true to himself; What I don't like: I tried to love Reagan with her unbelievable guitar skills, but. I didn't feel really like Trey wanted to be with Reagan. It was like he wanted to be with Ethan more, but he supposed to be bisexual, so it is why. I was missing a bit a storyline comparing with the first two books, it was a lot of sex, but...All in all, if you are a fan of the series then you will for sure enjoy it!0 von 1 Kunden fanden die folgende Rezension hilfreich. NajaVon ElisaMuss ehrlich sagen ich lese gerne erotische Literatur, aber in diesem Fall muss ich ein paar Abstriche machen. Reagan ist als eine der Hauptpersonen einfach nur nervtend..
