Von Deborah Cooke, Claire Cross : Double Trouble (The Coxwells Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Double Trouble (The Coxwells Book 2) (English Edition):

KurzbeschreibungTwo sisters. One disaster.First things first: Im the bad twin. While my sister, Marcia, has the perfect family in the perfect suburb, Ive been making my living as an Internet advice columnist and designing Web sites in my downtown loft. I always thought I had the right answer - and hair color - for any occasion. That is, until Marcia ran up loads of debt and ran out on her husband and kids, and I was left helping to pick up the pieces. Her husband, James, is a lawyer who I hate on principle alone.But for a guy whos just lost his job, his marriage, and his expensive toys, hes keeping it together - and making me rethink my feelings toward him. Its not that hes traded in his conservative suits for sexy jeans. Its that hes not giving up whats important to him, and oh baby, Im a sucker for a guy who hangs tough.That doesnt mean Im ready to step into Marcias designer shoes now that shes gone AWOL.And it doesnt mean Im going to fall for Jamess easy charm...not again, anyhow. Besides, Ive had a lifelong policy of not being mistaken for my twin and Im not backing down on that one now - no matter how convenient it might be for a certain sexy (and persuasive) man...Each of the books in the Coxwell Series is a standalone novel. This edition includes an excerpt from ONE MORE TIME.
