Nicht schlechtVon daxie1968und htte noch besser sein knnen, wenn die Heldin nicht so nervig wre und der Held nicht wieder einer von der Sorte: too good to be true.Savannah steht in ihrem Leben am Abgrund, sie lebt in ihrem Auto, weil sie absolut kein Geld hat und ist kurz davor sich zu prostituieren als sie praktisch in letzter Minute die Arbeitsstelle in Declans Fitness-Studio findet. Declan stellt sie ein, weil sie unter anderem so verzweifelt aussieht und natrlich schltg "instant attraction " wieder mal zu... Dann nimmt das Ganze auf ausgetretenen Pfaden seinen Lauf und

meistens ist das Buch noch nicht mal so schlecht. Aber dann kreierte Savannah künstlich Drama und egal wie viel Drama sie kreierte, er kann halt nicht von ihr lassen. Declan ist wirklich hot und ein richtig guter Kerl, aber alles ist einfach zu dick aufgetragen. Savannah hat einiges in ihrem Leben hinter sich und es auch wirklich nicht einfach gehabt, nur so lässt sich glaube ich erklären, dass sie so lange braucht um das zu erkennen, was der geneigte Leser schon am Anfang des Buches festgestellt hat: Declan is a keeper! Nu ja, ich habe das Buch fertig gelesen, sooo schlecht war es also nicht, besonders gut aber auch nicht. Wenn man grad sonst nichts hat, viel Zeit hat und es regnet ... kann man sich das Buch durchaus geben. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sassy girl and hot boxer Von Magritte This story is nicely written. It is about Savannah who is really desperate to get a job, a bed, a proper life and about Declan who is an illegal underground boxer owning his own gym and who is offering her a job, a chance and who wants to take care of her. Neither of them wants a relationship. Both agree nothing can happen between them because she is his employee. He is her chance not to sleep in her car anymore. BUT... Savannah awakes his needs to protect her, to take care of her. Both characters are really fun. Declan is hot and him being not the typical Alpha, but a tender caring loving, patient alpha is great. Savannah is a sassy und fun lady but she is so frightened and has such a hard time to trust that it was just a tiny bit too much. The read was fun and very fast. The rhythm goo but I somehow had the impression that there is nothing revolutionary about the book, is was nice but not breathtaking nor really special. Enjoy the read MBTM0 von 0 Kunden fanden die folgende Rezension hilfreich. Naja Von Minelli Netties Buch, aber das Ende fand ich richtig bescheuert. Ich wollte unbedingt Savannah kämpfen sehen und warum kriegen wir den Kampf von Declan nicht? Ich hoffe stark, dass es hier eine Fortsetzung gibt, aber ich wage es zu bezweifeln. Wahrscheinlich eher mit Blake und Macy. Jedenfalls waren mir am Ende des Buches zu viele offene Enden und es hat mich eher unbefriedigt zurückgelassen.

Kurzbeschreibung *Don't read this book if you don't like snarky, dominant, tattooed men who say things like "Open your mouth, and I will," after you tell them to shove it. And don't read this book if you don't like sassy, strong-willed, fiercely independent heroines who use phrases like "bossy asshole" as a term of endearment. You have been warned.* "Tattooed package of sin." That's how Savannah Ryan would describe her new boss, Declan Whitmore, the deliciously tatted and pierced fighter who holds the top spot in Boston's newest underground fighting organization. She'd also describe him as bossy, arrogant, and--depending on what he does to piss her off that particular day--an asshole. It's that aloof attitude, along with Savannah's witty comebacks and tight little body that land her on his radar. Unfortunately for her, Declan is relentless when he sets his sights on someone, both in and out of the ring. Unfortunately for him, this recently reformed bad girl is trying to go straight after heading down a dangerous path. She's not going to make this easy for him. In fact, she's going to make it--and him--very, very hard. Declan's not worried, though. He'll have Savannah come hell or high water, because if there's one word he'd use to describe her, it's "MINE."

ber den Autor und weitere Mitwirkende Kelley lives in Texas, but she swears its not all country music and cowboy boots... Okay, some of it is, but not all of it. Shes got an amazing husband, who continues to inspire her every day. Even after twelve years and two ridiculously cute little girls.
