Von Christine Flynn : Dr. Mom and the Millionaire (Prescription: Marriage) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dr. Mom and the Millionaire (Prescription: Marriage):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Another Keeper From Christine FlynnVon Nancy J. SilbersteinChase Harrington is on his way to an important meeting in Honeygrove, Washington when his car is hit by a truck. Instead of keeping his appointment, Chase ends up in Honeygrove Hospital with a severely fractured leg.Alexandra Larson is the harried single mother of 4-year-old Tyler and an orthopedic surgeon at Honeygrove Hospital. Her initial reaction to Chase Harrington is the same as everyone

else's: he is a macho dealmaker who refuses to slow down the pace at which he conducts business just because he is flat on his back in a hospital bed. Bit by bit, however, she begins to notice that Chase's bark is much worse than his bite, a protective shell that guards more insecurities than he wants to admit. Perhaps the fact that Alexandra has a similar shell gives her a sensitivity to Chase's that few others have. In "Dr. Mom and the Millionaire," Christine Flynn demonstrates her mastery of the short novel again. Every scene, almost every sentence, works to move the story forward and define the two attractive lovers. Even though this is the third book of a trilogy, her introduction of characters from the two earlier books was handled expertly. I never felt as though I were on the outside looking in; their appearances were engineered naturally. "Dr. Mom and the Millionaire" is not quite up to the standard Flynn sets with "The Baby Quilt" but it is still very good indeed. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Definitely a winner! Von Ein Kunde The final entry in the Prescription: Marriage series, this well-written, realistic book ties up all the loose ends, and manages to keep you guessing at the same time. Definitely a keeper, and worthy of the two preceding books!

Kurzbeschreibung A DOCTOR IN THE HOUSE Dr. Alexandra Lawson wasn't the type to swoon over a handsome man. But then she had never met anyone like Chase Harrington. The sought-after CEO had an unnervig way of making her feel more female than physician, and the normally staid surgeon found herself fantasizing of wedding bells and family albums when she accepted Chase's gallant offer to share his residence. Suddenly Alex had a lover to come home to, and a friend. But Chase had a secret agenda in Honeygrove, one she feared might never include making the doctor in his house a wife Kurzbeschreibung A DOCTOR IN THE HOUSE Dr. Alexandra Lawson wasn't the type to swoon over a handsome man. But then she had never met anyone like Chase Harrington. The sought-after CEO had an unnervig way of making her feel more female than physician, and the normally staid surgeon found herself fantasizing of wedding bells and family albums when she accepted Chase's gallant offer to share his residence. Suddenly Alex had a lover to come home to, and a friend. But Chase had a secret agenda in Honeygrove, one she feared might never include making the doctor in his house a wife Synopsis Chase Harrington is on his way to an important meeting in Honeygrove, Washington when his car is hit by a truck. He ends up in Honeygrove Hospital with a severely fractured leg, under the care of Alexandra Larson - orthopedic surgeon and single mother.
