StandAlone, 162 Pages Author: Elsa Jade Reviewer: Ingrid Stephanie Jordan Genre: #Paranormal #Dragonshifter #HEA My Score: 5 Stars Series 100 Stars Masters of the Flame has become a Magnificent Series. If you read book one and went on to two you'll understand why I said magnificent in our world today so many things we do not believe in, Magic isn't believed in, Dragon's of course are not, but are you sure they really don't exist. They say Myths Fairy Tales or when somebody tells you an old story, it has to have come from something true, in this book we have Dragon's in Las Vegas. A Casino called the "Keep". In book one Piper, Anjali and Esme go to Las Vegas for a weekend bachelorette party all compliments of Esme's fiancée, Lars Ashcraft a Warlock. His black magic is eating away at Esme who will be dead if not helped and Piper finds her solarys/mate. Anjali Herne doesn't know she's a gypsy witch on top of that she never believed in black magic or dragons. But a Warlock showed her it's not only possible but deadly. Torch Dorado head of security for the Keep he is also the head enforcer for Nox Incendi Dragonkin, which Nox Incendi, means "The burning night. Bale his Reyex, (which is Alpha or King) was dying as was all Nox Incendi dying if they did not find their solarys/mate. At this time Torch didn't care he wanted to find and kill Lars ash-hole. Which is a fitting name for him. I totally recommend this book it has everything, badinage, lies, danger, hot steamy sex, mind blowing orgasms. I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung He longed for the fury of the mating fever. She had the magic to touch his dragon heart. Unlike the other Nox Incendi dragons, Torch Dorado never sought his treasure, the hoard that would bring peace to his inner beast. But when he hunts down Anjali Herne, he may have found the first scintillating jewel to tame his dragon heart. But Anjali is a threat to the security of all dragonkin, and hell have to make her believe he is not the fire-breathing, maiden-munching monster of fairy tales. Well, there may be a little munching and a lot of fire _____ DRAGON FATE is a standalone dragon shifter paranormal romance with a Happily Ever After for the heroine and her hero. Although we suspect there maybe be more brooding dragon lords longing for their mates! If you like sexy shifter love stories, you might also enjoy the Wolves of Angels Rest wolf shifters.
