Wow dragons in Las Vegas can you believe that well it's true. They say what happens in Las Vegas stays in Las Vegas well dragons are in Las Vegas. Ms. Jade has written a beautiful story here. And I had to read it in one sitting I couldn't put it down. This is the first book of Master of the flame and I have a funny feeling that this series is going to be phenomenal. I recommend this book of love and happily ever after. Oooooo and the sex is good too. Rave Dorado is a Nox Incendi Dragon, who are all dying slowly they need to find their solarys/mate. Only a few believe, all they know is if they don't find their treasure they will turn to stone. Piper Ramirez came to Las Vegas for a weekend bachelorette party with her two best friends, a night on the town would be great. Lars, Esme's fiancée put this all together he took them there in his jet than he had one of his limo take them around, they were booked in the worlds most exclusive casino, the "Keep". I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung
He must find the heart of his dragon treasure. She will be the treasure of his dragon heart. The Nox Incendi dragons are dying. In a mysterious faux castle on the outskirts of Las Vegas, Rave Dorado has been struggling for centuries to find a cure for the creeping cold that is slowly turning his dragonkin to stone. Until his fiery gaze falls on a curvy, plucky female whose purity of spirit lights a flame in his icy soul. Piper Ramirez knew a girls night out with her two best friends at the worlds most exclusive casino would be beyond belief but she had no idea just how far. Inexplicably drawn to the dark and sexy Rave, she'll roll the dice and take a chance giving him her body, though he is too much of an enigma to truly trust. But the Nox Incendi shifters aren't the only one with secrets in Sin City. Piper will have to open her eyes to a strange new world and Rave will have to open his heart if they want to survive the dragon fever. _____
DRAGON FEVER is a standalone dragon shifter paranormal romance with a Happily Ever After for the heroine and her hero. Although we suspect there maybe be more brooding dragon lords longing for their mates! If you like sexy shifter love stories, you might also enjoy the Wolves of Angels Rest wolf shifters.
