**Von Sherrilyn Kenyon : Dragonbane: A Dark-Hunter Novel (Dark-Hunter Novels)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragonbane: A Dark-Hunter Novel (Dark-Hunter Novels):

Max is an interesting character and the book reveals a very important part of the whole werhunter history. We all asked us why do they the things they do? Why is war between them? Now we know. Of course the story line is familiar and similiar to other books. But would you buy a book, in

which the hero had nothing to suffer, all people are good and no s\*\*\* happens to them?! I do not understand the comments about being too complicated. I found it not so bad. All characters are known and there was nothing new, except the mentioning of Merlin and Avalon. At least it was not about noir and his guys, this would have been confusing, because there are so many players, changing from good to bad and back. :-) Glad to meet again old friends like Savitar and Sin. But Dragonbane is a nice book about an unfortunate old being dragged into the mess of the werewolves and daimons, a man betrayed by love and the Fates. And in the end, friendship and love is all that counts. It could have been longer, the plot could have been explored more, especially the history part or the get together with Archeron, Styxx and Sin or the fighting scenes. But then it would have 800 pages or more. But all in all, good character study as always from Sherrilyn, an exciting plot, a good portion of humour and a god fighting. Nothing big to complain about. I do not regret to have paid this money for the book. 0 von 2 Kunden fanden die folgende Rezension hilfreich. Raus aus dem Alltag, ab in die Fantasiewelt Von Silvia Himmerling Immer wieder spannende Unterhaltung mit viel Fantasie. Jede Geschichte ist für sich abgeschlossen und trotzdem sind bereits Fäden gezogen für die nächste Story. Freue mich bereits auf das nächste Band.

Kurzbeschreibung Out of all the mysterious boarders who call Sanctuary home, no one is more antisocial or withdrawn than Maxis Drago. But then, it's hard to blend in with the modern world when you have a fifty foot wingspan. Centuries ago, he was cursed by an enemy who swore to see him fall. An enemy who took everything from him and left him forever secluded. But Fate is a bitch, with a wicked sense of humor. And when she throws old enemies together and threatens the wife he thought had died centuries ago, he comes back with a vengeance. Modern day New Orleans has become a battleground for the oldest of evils. And two dragons will hold the line, or go down in flames, in Dragonbane, the next explosive Dark-Hunter novel from #1 New York Times bestselling author Sherrilyn Kenyon.
