Von Thea Harrison : Dragos Takes A Holiday: A Novella of the Elder Races (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dragos Takes A Holiday: A Novella of the Elder Races (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Kurzes LesevernggenVon HollenfeldDer spontane Kurztrip der Familie Cuelebre auf die Bermudas entwickelt sich zu einem

Abenteuer, was in dieser Geschichte aber eher nebensächlich ist, denn Einblicke in die Beziehung von Pia und Dragos und die Weiterentwicklung ihres Sohnes Liam stehen eindeutig im Vordergrund. Das Seelenleben der Protagonisten wird gewohnt spannend, lustig und kurzweilig ausgebreitet, man sollte allerdings die Serie kennen, sonst macht's eventuell weniger Spaß. Ich freue mich auf eine - hoffentlich etwas längere - Fortsetzung. Bitte mehr von Peanut!

1 von 1 Kunden fanden die folgende Rezension hilfreich. Für alle Fans der Elder Race Bücher sehr zu empfehlen. Von Sternkopf Ich lese die Bücher von Thea Harrison aus dieser Serie schon eine Weile begeistert. Was ich das erste Mal ausprobiert habe ist jetzt nur wegen dieser Geschichte auf eBooks umzusteigen. Hier ist es toll, dass eine kostenlose Programm hat und ich nicht mal einen Kindle oder ähnliches Gerät brauche, mein Laptop reicht.

Zur Story - super geschrieben wie immer, lustig, spannend und man möchte gar nicht wieder aufhören. Tolle Kurzgeschichte für alle Fans der Serie. Zeitlich nach Buch 5 (Lords fall) angesiedelt. Ein netter und echt verdienstvoller Familienausflug von Dragos und Pia nur mit dem kleinen Liam und zwei Aufpassern. Klever organisiert stiftet Pia ihren Drachen an, auf Schatzsuche zu gehen. Ein altes im Bermudadreieck versunkenes Schiffswrack der Elfen lockt allerdings nicht nur die beiden Urlauber an. Zudem überrascht Liam aka Peanut doch seine Eltern und seine Aufpasser mehr als erwartet...

Von Mina Note: this is a novella of the "Elder Races" PNR series and although it probably could be read without knowledge of the series, it won't make much sense, since the world, the wyr, the characters and so on are described in the main series.

Synopsis Drago and Pia, Lord and Lady of the wyr, had a taxing year and for the future there are no less stressful times to expect. So to get away from it all for a time, the Cuelebre family takes a holiday on the Bermudas. There are beaches, the sun, s** and a fun treasure hunt for Dragos to find and claim the long lost ship "Seville" fabled to have sunk with all its treasure in the Bermuda triangle. The only inconvenience: there are pirates in search of the ship as well. And they get really annoying real fast.

Review This was fun to read and if you want to see more of Dragos and Pia as parents and watch Liam the peanut to explore the world as the world's cutest mini-dragon, this surely is for you. Since I read "Kinked" right before starting with "Holiday", it was a kind of reprieve from the intensity "Kinked" brought [even if a pleasurable intensity]. Good thing that the world and the characters are already established, so that there is no need to spend page-time on it. I guess this is why the novella felt rather complete, like a "family chapter" in the Cuelebre's lives. I especially liked visiting Pia and Dragos again, since they are still my favorite couple in the series. And they are awesome as ever in this installment, including their son Liam, peanut, who made even me - a non-kid-person - swoon, because of his overall cuteness. His pages, that is his first person POV on the occurrences and his world in general, actually became the parts I liked best. If the novella gets "just" four stars from me, it's only because of the plot being a wee bit thin, especially when compared to extensive descriptions of clothes people wear. But then, this is a story with a relationship focus, so my complaint is a minor one.

Kurzbeschreibung The Bermuda Triangle. Pirates. The Peanut. What could possibly go wrong? Dragos Cuelebre needs a vacation. So does Pia, his mate. When the First Family of the Wyr head to Bermuda for some much needed RR, it's no ordinary undertaking - and no ordinary weekend in the sun. Between hunting for ancient treasure buried beneath the waves and keeping track of their son, Liama.k.a. Peanut, whose Wyr abilities are manifesting far ahead of schedule it's a miracle that Pia and Dragos can get any time together. They're determined to make the most of each moment, no matter who tries to get in their way. And did we mention pirates?

For fans of DRAGON BOUND and LORDS FALL, passion, playfulness, and adventure abound in this Elder Races novella. (29,500 words) DRAGOS TAKES A HOLIDAY is part of a three-story series about Pia, Dragos, and Peanut. Each story stands alone, but fans might want to read all three: DRAGOS TAKES A HOLIDAY, PIA SAVES THE DAY, and PEANUT GOES TO SCHOOL.
