it! Those Browns and their friends are a great bunch of people. This time it's about the 30-something girl who works in Brody Brown's tattoo shop - Tattoo Artist and Brown/Copeland Family friend Raven Smith. She has always been a bit of an outsider - she's from a bad home - foster homes and she even had to live on the street for a bit when she ran away from Arkansas. But she made herself into a successful tattoo artist. Still working for Brody whenever she's in Seattle - which is much more often now that most of the Browns have babies - because she totally adores them. There was this romantic thing between her and Brody many years back - but that's all forgotten and forgiven. But still she feels that she doesn't really belong - even though the Browns tell her differently. Then she meets Jonah Warner. A rich and successful lawyer - 42 years old, divorced with an almost college aged daughter. I think I don't have to mention that he's really HOT too! Jonah Warner was beyond hot. He was on-fire sexy. Like panties on fire. Everyone's so afraid of you. But they don't know that underneath that bitchy exterior is all marshmallow.

Kurzbeschreibung Beauty is more than skin-deep Tattoo artist Raven Smith is blunt and hard, broken and jaded, dark and beautiful. While she doesn't hide her painful past, she does keep a wall around her heart. She's free sexually but no one gets to the real Raven beneath the prickly exterior. With a voice like smoke, Jonah Warner is a smooth-talking, highly successful attorney, with a body that should never be hidden by a suit. He's the kind of man who never takes no for an answer and always gets what he wants. And what he wants is Raven. She's a survivor, and he finds that incredibly alluring. Jonah gets under her skin in a way Raven has never experienced. He makes her break all her rules including her no-monogamy rule. But when a figure from Raven's past shows up at the tattoo parlor and drops a bomb into her life, their relationship will face the ultimate challenge. MATURE AUDIENCE
