Kurzbeschreibung
Isa has begun to dream of the most amazing woman a woman named Lilith with a gorgeous face, an amazing body, and the ability to turn Isa on like no other. But Lilith is just a dream...isnt she? Lilith is indeed real. She is a sexual Dreammaker, a being who exists solely to bring pleasure to humans while they sleep. And soon, Lilith finds she is falling for Isa, falling hard, something a Dreammaker is never supposed to do. Is there any way they can truly be together, or will their relationship have to remain as it is just a dream?
