KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. 5 hot burning stars!Von CassandraTessa Bailey knows how to set you on fire on cold days! The moment you met Porter, your panties will leave. You won't need them anymore. He's a force of nature, dominant to the bone, always in control, strikt rules. But his past had toughed him to build up walls and that no one will tear them down.That is until he meets feisty Frankie. And oh does she give him a run for his money. Stubborn and driven to achieve her goals, she's not

taking s*** from anyone. Being raised by her uncle had set her ground pretty early in life. Always spending time with men and boys, she's not embracing her womanhood. She's hiding that part of herself. Yet she is curious about dominance and submission. Just one scene is enough to ignite a fire that both can't deny. It drives them together, rules are stretched. Driven by lust Frankie agrees on a permanent engagement. It's not only her desire to submit, but also her bratty side that attracts Porter and questions his motives, his future. Soon they both found themselves questioning feelings and things they want from life. Even when they believe in each other, secrets and high set walls are starting to drive them apart. Another hot and sexy, and funny and teasing, full of emotion and hope, page turning book by Tessa Bailey. And have I mentioned that Porter is hot, even when you might have this urgent feeling to smack him?

Kurzbeschreibung A sexy category romance from Entangled's Brazen imprint... The first rule is obey... and she already broke it. Francesca "Frankie" De Luca always pays her debts. Even when it means stepping inside Serve, the sensuous Manhattan club that caters to particular adult desires. For Frankie, it's a taste of something she's always wanted and never received. Until a sharply dressed Brit orders her into his room, and instructs her to undress before delivering the carnal punishment she so desperately needs... She wasn't the woman Porter Evans was expecting. Not this wild thing with the pale, silvery eyes. And such cheek. But she violates Porter's strict rules of control. Temptation is a dangerous thing indeed. Yet everything about Frankie cries out for schooling about the tantalizing interplay of pleasure and pain. So Porter offers Frankie a deal she can't refuse and the only thing she owes him is submission... Kurzbeschreibung A sexy category romance from Entangled's Brazen imprint...
