weniger als der erste Teil gefallen  
Von Bine E. Vorab: Vor diesem Buch empfehle ich in jedem Fall, den ersten Teil "A Stone in the Sea" zu lesen. "Drowning to Breathe" schließt nahtlos an den ersten Band an. Das Buch endet ohne Cliffhanger und schließt die Story von Sebastian und Shea ab. Im Vorgängerband ging es vor allem um die Entwicklung der Beziehung zwischen Sebastian und Shea und der erste Teil hat mir sehr gut gefallen. Dieser Band beschäftigt sich mehr mit der Bekämpfung der Dämonen aus der Vergangenheit. Die Charaktere selber werden meines Erachtens aber nicht mehr großartig weiterentwickelt. Dieser Teil war zwar nicht schlecht, hielt aber nicht mit dem ersten Teil mit. Die duster-knisternde Atmosphäre des ersten Teils konnte ich hier nicht mehr spüren. Mir fehlte auch die Spannung in der Beziehung von Sebastian und Shea. Darüber hinaus war die Auflösung am Ende etwas abrupt. Die folgenden Teile werden sich nach den Angaben der Autorin mit den weiteren Bandmitgliedern beschäftigen. Nachdem ich von diesem Teil etwas enttäuscht war, weiß ich nicht, ob ich die Serie überhaupt noch weiter lese.

With reading the first book by A.L. Jackson, I was a goner. I keep reading her books and there is no story I didn't love. Before starting to read Drowning to Breathe I re-read "A Stone in the Sea". Just because I love Shea and Sebastian's story. I just feel as if these characters are part of my life and so it's impossible not to love this story. It heart-breaking but oh so beautiful. I love their way to love each other - no matter what. Cause that's what true love is supposed to be like. And I thank A.L. Jackson for making me feel, like I am Shea and experiencing such a wonderful journey. Can't wait for her next story. I totally recommend reading these two books for everyone who enjoys deep romance!

Kurzbeschreibung "Hot and heartbreaking, sweet and sexy.... You cannot...CANNOT miss this incredible conclusion!." M. Leighton, NYT Bestselling Author  
The danger in pretending is it becoming real... Sebastian Stone, Sunderland front man and guitarist with a rap sheet about ten miles long, escaped to Savannah, Georgia, to get away from the trouble he'd caused. Not find more of it. The moment he saw Shea Bentley, he saw beneath all her sweet and innocence to something that went deeper. Darker. Their relationship was built on secrets; their love built on lies. Sebastian never imagined how deep her secrets went. When the past and present collide, Sebastian and Shea find themselves fighting for a future neither believed they deserved. Their passion is consuming and their need unending. Now, holding the truth in his hands, Sebastian is faced with sacrificing everything he's come to love to protect Shea and his family. Two pasts intertwined. Two lives bound. Will their demons drown them or will Shea and Sebastian finally learn to breathe?" Shea and Sebastian's story is simply beautiful, and impossible not to love." Mia Sheridan, NYT Bestselling Author  
Drowning to Breathe is the stunning conclusion to Shea and Sebastian's 2-part Duet! Their story began in A Stone in the Sea.

A.L. Jackson is the New York Times and USA Today bestselling author of contemporary and new adult romance. She first found a love for writing during her days as a young mother and college student. She filled the journals she carried with short stories and poems used as an emotional outlet for the difficulties and joys she found in day-to-day life. Years later, she shared a short story she'd been working on with her two closest friends and, with their encouragement, this story became her first full length novel. A.L. now spends her days writing in Southern Arizona where she lives with her husband and three children. Connect with A.L.
