empfehlenswert! Von To catch a falling book Die Due South-Reihe von Tracey Alvarez geht auf jeden Fall zu meinen Lieblingsbuchserien, denn sie hat alles, was ich mir von einer entspannenden Lektüre erwarte: die große Liebe, kleine Dramen, exotische Schauplätze und liebenswerte Charaktere, die einem ans Herz wachsen. Auf jeden Fall eine Kaufempfehlung für alle, die gerne Contemporary Romance lesen - In Too Deep - Alle Charaktere von In Too Deep waren wunderbar ausgearbeitet und facettenreich. Nicht nur West, Piper und ihre Familien, sondern auch die anderen Stadtbewohner. Von der schrulligen Siebzigerjährigen, die ihre Hände nicht bei sich behalten kann wenn West in der Nähe ist, bis zum aufdringlichen, stöckernden Idioten. Gerade deshalb mag ich solche Kleinstadtgeschichten, weil einem da immer so viel verschiedene Charaktere geboten werden. Piper ist eine taffe, widerspenstige, junge Frau, die sich die Schuld am Tod ihres Vaters gibt, weil sie meint, an jenem Tag vor lauter Liebeskummer nicht richtig aufgepasst zu haben. Dass noch viel mehr dahinter steckt, erschließt sich ihr und dem Leser erst im Laufe der Geschichte. West ist toll. Nach außen hin sexy, charmant und offen, hat ihn Pipers Weggang vor neun Jahren tiefer verletzt als er es jemals zugegeben hätte. Dass er immer noch Gefühle für sie hat, würde er nie im Leben zu geben. Ich möchte beide wirklich sehr gerne, denn ihre gemeinsame Vergangenheit, die langsame Wiederannäherung sowie ihre jeweiligen Ängste und Vorurteile und nicht zu vergessen, die Chemie zwischen ihnen sind glaubwürdig, mit teilweise auch herzerreißenden Szenen dargestellt. Mit ihrem Debt braucht sich Tracey Alvarez auf keinen Fall hinter ihren amerikanischen Kolleginnen verstecken. In Too Deep ist empfehlenswert für jeden, der sexy Contemporary Romance liebt, wobei die Erotik hier mehr im Hintergrund steht und es mehr um familiäre und freundschaftliche Beziehungen und eine zweite Chance für die erste Liebe geht. - Melting Into You - Wie In Too Deep hat mich auch Melting into you sofort berzeugt. Ich möchte Kezia, die dank ihrer italienischen Abstammung, nie um ein Wort verlegen ist und obwohl sie bereits so viel durchgemacht hat, ihre Lebensfreude und Hoffnung nie aufgegeben hat. Ben lernte ich im ersten Teil als einen eigensinnigen, brummigen Mann kennen, der seiner Schwester die Schuld am Tod des Vaters und seiner Entscheidung daraufhin das Familienbusiness übernehmen zu müssen, gab. Auch stand er anfangs zwischen West und Piper. Nicht die geeigneten Voraussetzungen also, um viele Pluspunkte zu sammeln, doch in Melting into you lernt man seine andere, weichere Seite kennen. Obwohl er stets behauptet kein Teddybär-Typ zu sein, ist er genau das. Melting into you ist eine schöne, realitätsnahe Romanze, die ebenso wie Teil 1 mit einem wunderbaren Proben und einer emotionsgeladenen, sensuellen, sexy und teilweise herzerreißenden Geschichte aufwarten kann. - Ready to Burn - Alvarez' Due South-Reihe ist eine erfrischende Abwechslung zu den herkömmlichen New Adult-Romanen. Das liegt unter anderem an dem familiären Setting. Eine Kleinstadt wie hier bringt reihenweise tolle Charaktere mit sich, die mal die Haupt-, mal die Nebenrolle spielen. Es ist jedoch schön, sie alle in jedem Band wiederzutreffen. Und Gott sei Dank gibt es noch einige Kandidaten, die noch in den Mittelpunkt gerückt werden können. Dels und Shayes Geschichte ist sexy und romantisch, sie bringt einen zum Lachen und zum Mitfühlen. Tracey Alvarez schaffte es mit Ready to Burn wieder einmal aufs Neue, mich mit ihren Geschichten und Charakteren emotional zu berühren und ich kann es gar nicht erwarten, mehr von ihr zu lesen! - Christmas With You - Carly ist ein wundervoller Charakter offen, herzlich und stark, jedoch mit einem Funken Melancholie angesichts der nicht zu übersehenden Umstände. Obwohl sie anfangs unterschiedliche Ziele zu haben scheinen, sind Kip und Carly freinander geschaffen. Kip hat mich mit seiner unkomplizierten Art und seinen Fähigkeiten bei der Wasserschlacht sofort um den kleinen Finger gewickelt. Ohne Oban würde mir eindeutig etwas fehlen, von daher bin ich froh, die Autorin für mich entdeckt zu haben. - My Forever Valentine - Ein schnelles Wiedersehen mit allen bisher kennengelernten Charakteren der Reihe. Ich habe sie alle liebgewonnen und daher war es schön, jedes einzelne Proben noch einmal zu treffen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Highly recommended reading!!! Von Cheryl Sanders In Too Deep (Piper and West) #1 This book has it all. A little bit of mystery, intrigue, squabbling family members and an awesome love story which is happening in, around and behind all the other aspects of this story. I love island life because everyone knows each other and the gossip grapevines work extremely fast. There are rarely any secrets and I say rarely because a few of these residents are holding onto some pretty big ones. It's great the smart ass way Piper, West and Ben talk to each other. I had a few laugh out loud moments, as well as a few moments when I was reaching for a tissue. Great start to an amazing series! Melting Into You (Ben and Kezia) #2 Tracy Alvarez has done an amazing job at telling this emotionally charged story of two people who have fallen in love but don't want to be in love because of past hurts. It's all about the struggles these two go through to get to that ultimate place in life that most strive for. Ready to Burn (Shaye and Del) #3 Del is a chef in the U.S. and his mother asks him to return to New Zealand to help his ailing father at his restaurant called Due South. Shaye is the sous chef and assumed that one day she'd take over as head chef. You can imagine her shock and anger when she sees Bill's son Del arrive on the island and she's told Del will take over. She was angry when Del moved to the U.S. with his mother when she was 10 years old. She doesn't want to like Del but the sparks fly when they look at each other. Del doesn't want any ties because life for him is complicated enough right now but he just can't resist her. Shaye has a check list of traits her perfect man will have. Does Del measure up? What happens when they have to work together every day? Christmas With You (Kip and Carly) #4 With the interference of the Sullivan clan, Kip and Carly don't stand a chance at fighting this matchmaking family. This Christmas novella in the Due South series is fantastic! Characters are funny, witty, and extremely sexy. There are moments that bring tears to your eyes but mostly laughter. My only regret is that I couldn't spend more time in Oban for the holidays with these fantastic families. Thank you Tracey Alvarez for another wonderful visit to this

amazing island! My Forever Valentine #5 Shaye and Del A look into their cute Valentines Day celebration with Del in the hospital still recovering from giving his dad a kidney. It's not sexy being interrupted by your brother and sister while trying to wish your man a happy Valentines Day. Del in love? Even more sexy! Piper and West It's never easy waiting for those lines to appear, or not, on the test sticks. These two make their feelings clear to each other while waiting. They're so in love! Carly and Kip There's nothing worse than a Valentines Day surprise gone wrong but with one little scenario, all is right in their world. Kip tries so hard and is completely adorable, while romancing Carly in a situation that is not too romantic. Kezia and Ben Theirs is a love story for the books! Kezia's the Italian beauty that fell in love with the island boy. Ben is as far from sophisticated as you can get but he loves Kezia with all that he is. Her surprise is fabulous even if he's having a "Murphy's Law" kind of day. The Due South series is fantastic and it has been wonderful to re-visit these couples in such romantic circumstances. ~~~~~ All 5 books in this boxed set are 5-Star reads! I highly recommend this series full of a few tears and lots of laugh out loud moments, fantastic families, love and gorgeous/sexy island men. I was not compensated for my review. I was not required to write a positive review. The opinion expressed is my own. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I cannot get enough of this series - more please! Von Marie Palmer I bought these books individually, to be able to get them all together in one box-set is a complete no brainer! If you are looking for a new series to make your kindle sizzle, melt your panties, make you laugh, cry and shout out loud then this is the series for you. In too deep: West and Piper meet again after 9 long years and there are plenty of sparks when they reconnect and verbally spar, sizing each other up and both trying to convince themselves that there is nothing between them, these sparks become a raging inferno when they finally give in, with plenty of hot, dirty sex. There are plenty of tears and emotion to go with the hot sex, we get to meet some fantastic support characters who will get their books later in the series.... Ben, Shaye, Kezia, Holly, Erin, Ford and many more. We also get to meet some lovely quirky characters such as Mrs Taylor, Glenna and Bill who as the older generation take great pleasure in interfering and lighten the book with their antics and fun. Melting into you: A sweet, although frustrating love story, Ben and Kezia are 'helped' along by two very mischievous daughters Jade Zoe! A little emotional I even had to break out the tissues at one point, I loved every page of this book even when I wanted to beat sense into Ben for being dense! Ready to burn: Shaye and Del are fun, fiery, fiery, damaged, passionate, loyal, in denial and completely perfect for each other. Both are terrified of love and letting go..... not that that means there can't be plenty of hot dirty sex.... on the counter.... in the kitchen..... in the store cupboard..... in the shower.... with frosting and without! But they both shy away from commitment, looking for faults and believing themselves unlovable long term. As with all the books in the Due South series this one is laugh out loud funny, steam your kindle up sexy, heart wrenchingly sad and beautifully sweet. It is not only the interactions between Shaye and Del that keep the pages turning, but also the support characters both old and new who are witty, interfering and completely outrageous. Once you start you cannot put this book down, you have to keep going to see just how bumpy and full of fireworks their road to a HEA is. Christmas with you: When they are together there aren't just smoldering looks and sparks but fireworks each and every time. Will Kip have the confidence in Carly to hand over his love and his heart, will he come to his senses and realise that whilst she brings him to his knees she then helps him back to his feet and they stand taller and stronger together or will his past cause him to tuck tail and run? My forever Valentine: A quirky valentines novella to catch up with the four Due South couples so far. I loved the style of this book, although different to the first four it is a great way to 'check in' with each couple! As with all the series so far there is plenty of laughs, tears, fun, sex, plot twists, family interference, more sex and men doing stupid things because they thought they were a good idea and hadn't really thought them through! If you have read the first four books you have to read this, it has some fantastic twists that will have you gasping out loud and more to have you cheering, even as the happy tears fall. It is only a novella, but a fantastic page turner of one!
