Von Sara Ramsey : Duke of Thorns (Heiress Games Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Duke of Thorns (Heiress Games Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The whole book is ridiculousVon readerThe storyline was quite addleheaded: the old duke dies without a male heir, the daughters of his three deceased sons are to pick a husband during a month long house party and the girl who picked

the best will get the estate and the money. The referee to decide which is the best husband (no explanation of the criteria) is a duke from a former novel. The youngest sons daughter lives in Baltimore heading a shipping company turned privateer, quite wealthy on her own but suddenly longing for an estate in good old England. She sets off for Europe and after SIX MONTHS of travelling arrives just in time for the party. Another grand-daughter living in a far corner of the estate does not get the invitation and apparently had no idea of her grandfathers will and arrives later. The third granddaughter organizes the party and gets to decide whom to invite although her stepmother is still in residence. There are no proper chaperones, no entertainments characteristic of a houseparty in Regency time, no descriptions of the aspiring fortune hunters. The hero is just another duke who feels cursed although the curse was broken recently. He is accompanied by two brothers and two sisters, three of them are his halfsiblings as their father was cuckolded until he finally kicked out his wife. The youngest brother is to woo the American heiress but he despises the colonist, the sisters have to lend her their dresses because she didnt have time for shopping in London while rushing to the party. The whole book is ridiculous. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wow, tolles Buch. Von Kobsa, Silke Im 4. Buch der Reihe "Muses of Mayfair" war der Duke of Thorington noch der Bsewicht. Es war toll, nun seine Geschichte zu erfahren und auch einige Protagonisten aus den "Musen" wiederzutreffen. Das Buch ist wieder sehr flssig und toll geschrieben, ich konnte es kaum aus der Hand legen und freue mich schon auf den 2. Teil mit Rafe und Oktavia.

Kurzbeschreibung The Briarleys are one of the oldest families in England -- but after centuries of sin and scandal, they are on the verge of extinction. Now, at the most talked-about house party of the summer, the surviving Briarley heiresses will create a new set of scandals while attempting to win back their birthright -- if love doesnt conquer all their schemes. A devil who wont be denied Too powerful to care for such petty things as morals, the Duke of Thorington lives as he pleases. And it pleases him to be known as a cruel, heartless blackguard one no sane woman would dare to marry. But when his fortunes unexpectedly crumble, he must find a way to save his family from ruin. To succeed, Thorington needs an heiress. There's only one problem A lady who cant be contained Bold, daring Callista Briarley has survived riots, plagues, and revolutions while building her own privateering enterprise, but the sharks of English society are an entirely new challenge. It will all be worth it if she wins Maidenstone Abbey a house her ancestors spent centuries killing each other for. To succeed, Callie needs a powerful ally. There's only one problem Two hearts destined to ignite During the most infamous house party of the summer, Callie and Thorington have one chance to secure both their futures. But Callie's need for freedom is directly at odds with Thorington's brand of control. When her past puts them both in danger, will their unexpected love be enough to conquer all? Series: Heiress Games #1 Previous books by Sara Ramsey: Heiress Without A Cause (Muses of Mayfair #1) Scotsmen Prefer Blondes (Mayfair #2) The Marquess Who Loved Me (Mayfair #3) The Earl Who Played With Fire (Mayfair #4) Kurzbeschreibung The Briarleys are one of the oldest families in England -- but after centuries of sin and scandal, they are on the verge of extinction. She has great taste in Champagne, bad taste in movies, and a penchant for tiaras. She also believes in taking naps, wearing sunglasses at night, and using Oxford commas. Sara currently lives in San Francisco, California, where she can be found drinking overly-artistic lattes and working on her next Regency historical romance.
