should say it all. It was not really interesting and very slow going. I finished it now and it feels as if there was no content at all - except of course the instant love between the two and their connection... A lot of phrases were repeated multiple times...If you want to skip this book, feel free to - no important content to the series at all (except the names of the rest of the brothers and the meeting of all brothers with Ilya)I am sorry to say - but I am really disappointed.4 von 4 Kunden fanden die folgende Rezension hilfreich. Keine Fnfsternelektre...Von guddiMit jedem Buch der Serie scheint der Plot weniger zu werden. Die Brder Prakensky werden immer dsterer und weniger liebenswert.Statt dessen bernehmen sie die Schwestern mit einer zunehmend dominanten Art die schon an Perversion grenzt. Die Bsewichte werden immer uninteressanter und plumper, und die magischen Fhigkeiten der Schwestern immer hanebchener.Schon bei dem vorhergehenden Roman der Serie habe ich mich stellenweise eher gergert als unterhalten gefhlt.(wegen des Verdachts mir wird fr einen 300 Seiten lange Seifenblase das Geld aus der Tasche gezogen). Bei der Lektre von Earth bound hat sich das noch verstrkt.Ich wei nicht wer die vielen FnfSterneRezensionen schreibt, aber es ist mir unverstndlich wie so ein leerer Roman so gut bewertet werden kann. Vor allem wenn man die guten Feehan-Romane gelesen hat, die es ja durchaus gibt. Ob ich dem letzten Buch der Reihe eine Chance gebe wei ich noch nicht.0 von 1 Kunden fanden die folgende Rezension hilfreich. great bookVon OmimoniI just loved that book and all the others belonging to that series, very romantic but also a little dagerous
