Von E.K. Blair : Echo (Black Lotus #2) (The Black Lotus Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Echo (Black Lotus #2) (The Black Lotus Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bang...Echo...HushVon Diana O.Without giving away too much information... this book is dark and twisted and heartbreaking. It is a MUST for everyone who has read Bang! Of course every reader of Bang knows that. ;) So if you haven't read anything from E.K. Blair... do it! She is amazing!!!!!! The Black Lotus Series will change your

(book)world forever!

KurzbeschreibungThe highly anticipated follow-up to Bang. Echo is the second book in the Black Lotus series. It's been said the longest echo ever measured lasted 75 seconds, but I can assure you, this will last much longer. The bang deafened the world around me, muting everything into nullity, allowing the reflection of its destruction to live far beyond its intended life. It will follow me forever, destroying me destroying you. You want answers? So do I.*Due to the dark and explicit nature of this book, it is recommended for mature audiences only as some scenes may be particularly disturbing.

ber den Autor und weitere MitwirkendeNew York Times, USA Today, and International bestselling author, E.K. Blair, takes her readers on an emotional roller coaster with her books. A former first grade teacher with an imagination that runs wild. Daydreaming and zoning out is how she was often found in high school. Blair tends to drift towards everything dark and moody and has been noted as 'The Queen of Dark and Twisted'. Give her a character and she will take pleasure in breaking them down, digging into their core to find what lies underneath. Aside from writing, E.K. Blair finds pleasure in music, drinking her Starbucks in peace, and spending time with her friends. She's a thinker, an artist, a wife, a mom, and everything in between.
