this one, I just needed to buy all the other ones as well. For anybody who loves to dwell on books of adventures, suspense, a little bit of supernatural and, most of all, of love, this one is a real must have! I loved the love story between Rio and Grace, the sidelines of the other "soldiers" and women and most of all the awareness that it's fantasy and therefore you're allowed to dream...

Kurzbeschreibung Grace Peterson is desperate, in hiding, and on the run after escaping a shadowy group determined to exploit her extraordinary ability to heal others. Her only lifeline--an unerring telepathic ability she shares with her sister--has been severed, leaving her alone and vulnerable. And time is running out... Enlisted to bring Grace home is Rio, relentless member of the KGI. He's unprepared for his reaction to this wounded, damaged woman, and he's fiercely determined to protect her from those who nearly destroyed her. In Rio, she finds a safe haven, and for the first time... hope. But the mission is far from over. The danger Grace has eluded is fast closing in. And now it's pitching two lovers toward an unfamiliar horizon, with no place left to hide. Pressestimmen "Maya Banks has it all."
